Norm:

Chlorine Pump: Waiting for P&T and Smartech to coordinate for installation. Ron Elmer of P&T is very busy right now and hoping to be able to get to us around mid-June. Smartech can come when P&T is ready. Both need to be here for installation. We might need a new valve but should have enough piping and check valves.

Water Salesman: Bill counter broke. Norm was able to temporarily fix it but will probably need to get a new one soon.

Flags: flags are going up Thursday 5/8/25.

Ted has been using his personal mower while the Village mower is at Tug Edge. The Village mower is a 1996 John Deere. It might be time to look for a new one. We are waiting on the price from Tug Edge for repair costs.

Christmas Tree: Haven't heard anything back from Deputy Sheriff.

Sam is driving a school bus for SJ. He drives in the morning and then does the water at the plant around 8 am.

Grant Application: Norm and Paula got the Hazard Mitigation Grant done and sent in. It was 18 pages of crazy questions.

Ted and Norm will be here Saturday 5/10/25 for the Lilac Festival working. Sam will only be available for a couple hours in the morning.
