Norm:

P&T and Smartech: waiting on them to schedule

Water Salesman: 90,000 gallons of water pumped in 2 weeks. Approximately 500,000 gallons in summer quarter (July-September). We have pumped more than we did in the last year and a half.

Quarter and dollar bill accepters have been getting jammed. Had to add a sign for NO Canadian quarters.

Meter Pit Covers: 10 cell meters shut off in mid-July due to extreme heat. We need to get composite lids for the meter pits and reset or replace the 10 cell meters that turned off.

Sam: will be out of work for 2-3 weeks in November. Norm will cover.

Old Business:

Post Office: send a reminder letter to Matt Hess.

Corner Building: haven't heard anything

NYCOM Conference: was great. Lots of good classes and information.

Amazon Business: we got 2 years of free amazon business prime through NYCOM

Christmas Tree: new tree ordered. Sheriff said the school will not do anything so probably wont go anywhere.

New Business:

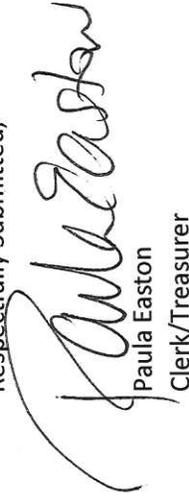

Workplace: they called to see if we are interested in a year-round program.

Bills:

The Bills were presented and approved for October. Motion made by Trustee Walizer, Seconded by Trustee Graves.

Meeting Adjourned by Trustee Graves, Seconded by Trustee Deon

Respectfully Submitted,
